Kylie Arett

Designer | Idealist | DEI Advocate

Candidate Summary:

Passionate, adaptable, creative. 5 years of education and over 5 years of working experience within the design industry. Focused on creating inclusive, intuitive spaces through evidence-based design and concept-driven solutions. Working toward an NCIDQ license within the state of WI.

Professional Experience:

Current -
April 2026

Business Development Manager | Sister Bay Furniture - Sussex, WI

- o Drove Business growth through proactive acquisition of new accounts while nurturing long-term relationships to maintain and expand a loyal client base.
- o Traveled for targeted sales trips and represented the brand at key industry trade shows.
- o Executed tailored, nationwide outreach campaigns to engage A&D firms, positioning the company as a go-to partner for commercial hospitality spaces.
- o Established credibility within the A&D community through consultative selling, brand presentations, and consistent engagement.
- o Continuously built expertise in outdoor furniture lines, materials, and design trends to offer informed guidance to clients.
- o Oversaw projects from concept to completion, generating furniture package quotes, and coordinating logistics, shipping, and final delivery for a seamless client experience.

July 2025 -
Jan. 2023

Interior Designer | Bray Architects - Milwaukee, WI

- o Developed comprehensive construction document packages, specification books, and oversaw construction administration processes.
- o Produced high quality 3D spatial models and renderings to articulate design intent.
- o Managed FF&E Selection, furniture package assembly, and vendor coordination.
- o Conducted field audits, responded to RFIs, and directed final punch-list walkthroughs for satisfactory project closeouts.
- o Lead high impact client presentations for design, branding, and furniture services.
- o Built and nurtured client relationships through active listening and consultative discovery, resulting in projects that resonated with and exceeded client expectations.
- o Collaborated effectively across large, diverse project teams including architects, MEP engineers, and GCs to accomplish successful project results.
- o Founded and co-chaired the EDIB community, championing universal design principles in educational environments and advocating for inclusive office culture.

Travel:

Punta Cana		2026
Cancun		2025
Nassau		2020
Italy		2017
Dominican Republic		2016
Canada		2015
Ireland		2014
England		2014
Scotland		2014
France		2014

Nov. 2022
- July 2021

Interior Designer | Creative Business Interiors - Milwaukee, WI

- Worked in Revit and Autocad to assist project leads in the execution of construction documents and other tasks throughout the design process.
- Project lead for higher education client in Mequon. Created a construction set, selected appropriate materials, created and presented client presentations. Cultivated a relationship with the client to ensure trust and open communication.
- Scheduled and managed product updates with vendors/ reps for architectural design team and furniture team.
- Independently mastered 3DS Max and created flythrough videos for clients to visualize their new space. Initiated the company's use of Enscape as a more efficient software for realistic spatial renderings.

May 2021 -
Sept. 2020

Personal Tutor | Self-Employed - Manhattan, KS

- Worked with a local 8th grade student providing structure and support 3 nights a week, 2 hours at a time.
- Provided insight into neurodivergent struggles that she was facing and helped her to find coping mechanisms that allowed her to thrive in an academic environment.
- Got her grades from a 2.0 average GPA to a 3.5 in one semester and maintained that GPA through her next semester.
